

Carpenter Court Gardening Group

Carpenter Court Gardening Group

“The overall feeling is that the gardens bring joy and happiness to people. Being able to access the gardens and move around in a safe, tidy environment is important. The feelings of self-worth of those working in the garden group are evident. Using their skills to enhance their garden makes them feel valued and appreciated.”

“Everyone is very generous with their donations and it is much appreciated.”

- Helen

“The garden is very relaxing. I love looking at the gardens from my front door. I can sit outside to do my knitting which is lovely.”

- Rita

Tenants said:

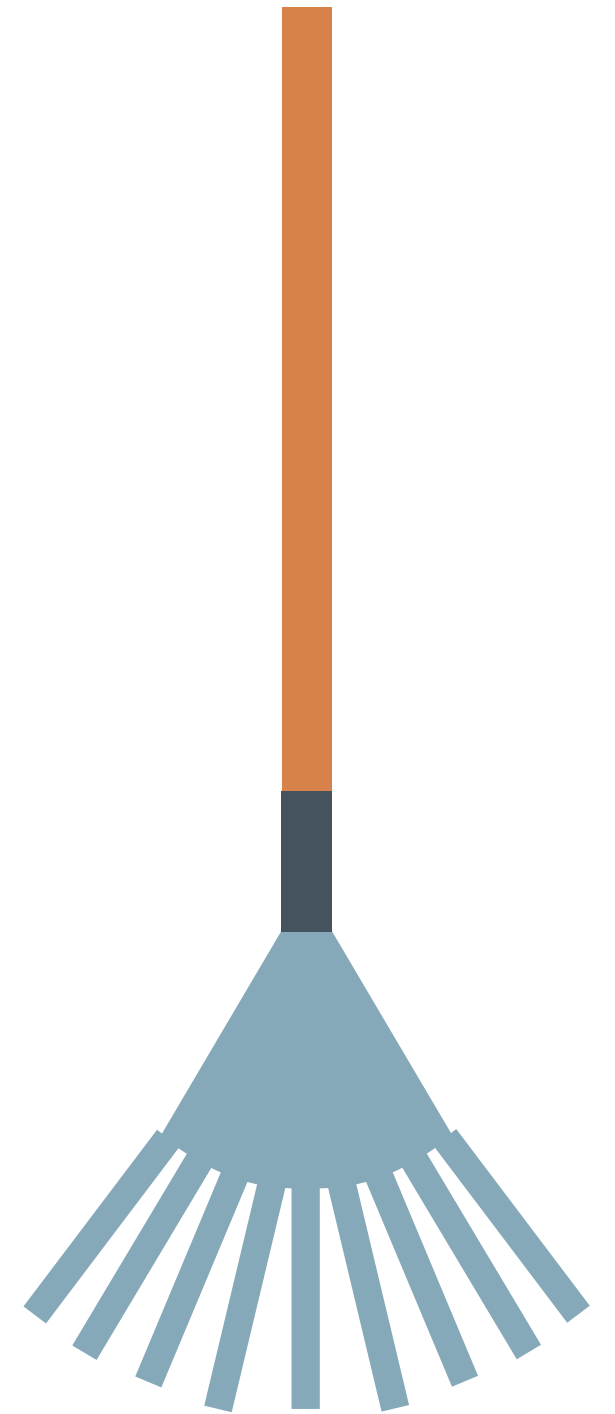

“I like sitting in the garden when the weather is good. I don’t feel isolated as there’s always someone wandering about in the garden.”

- Lily

“The gardens are so pretty and lovely to sit in.”

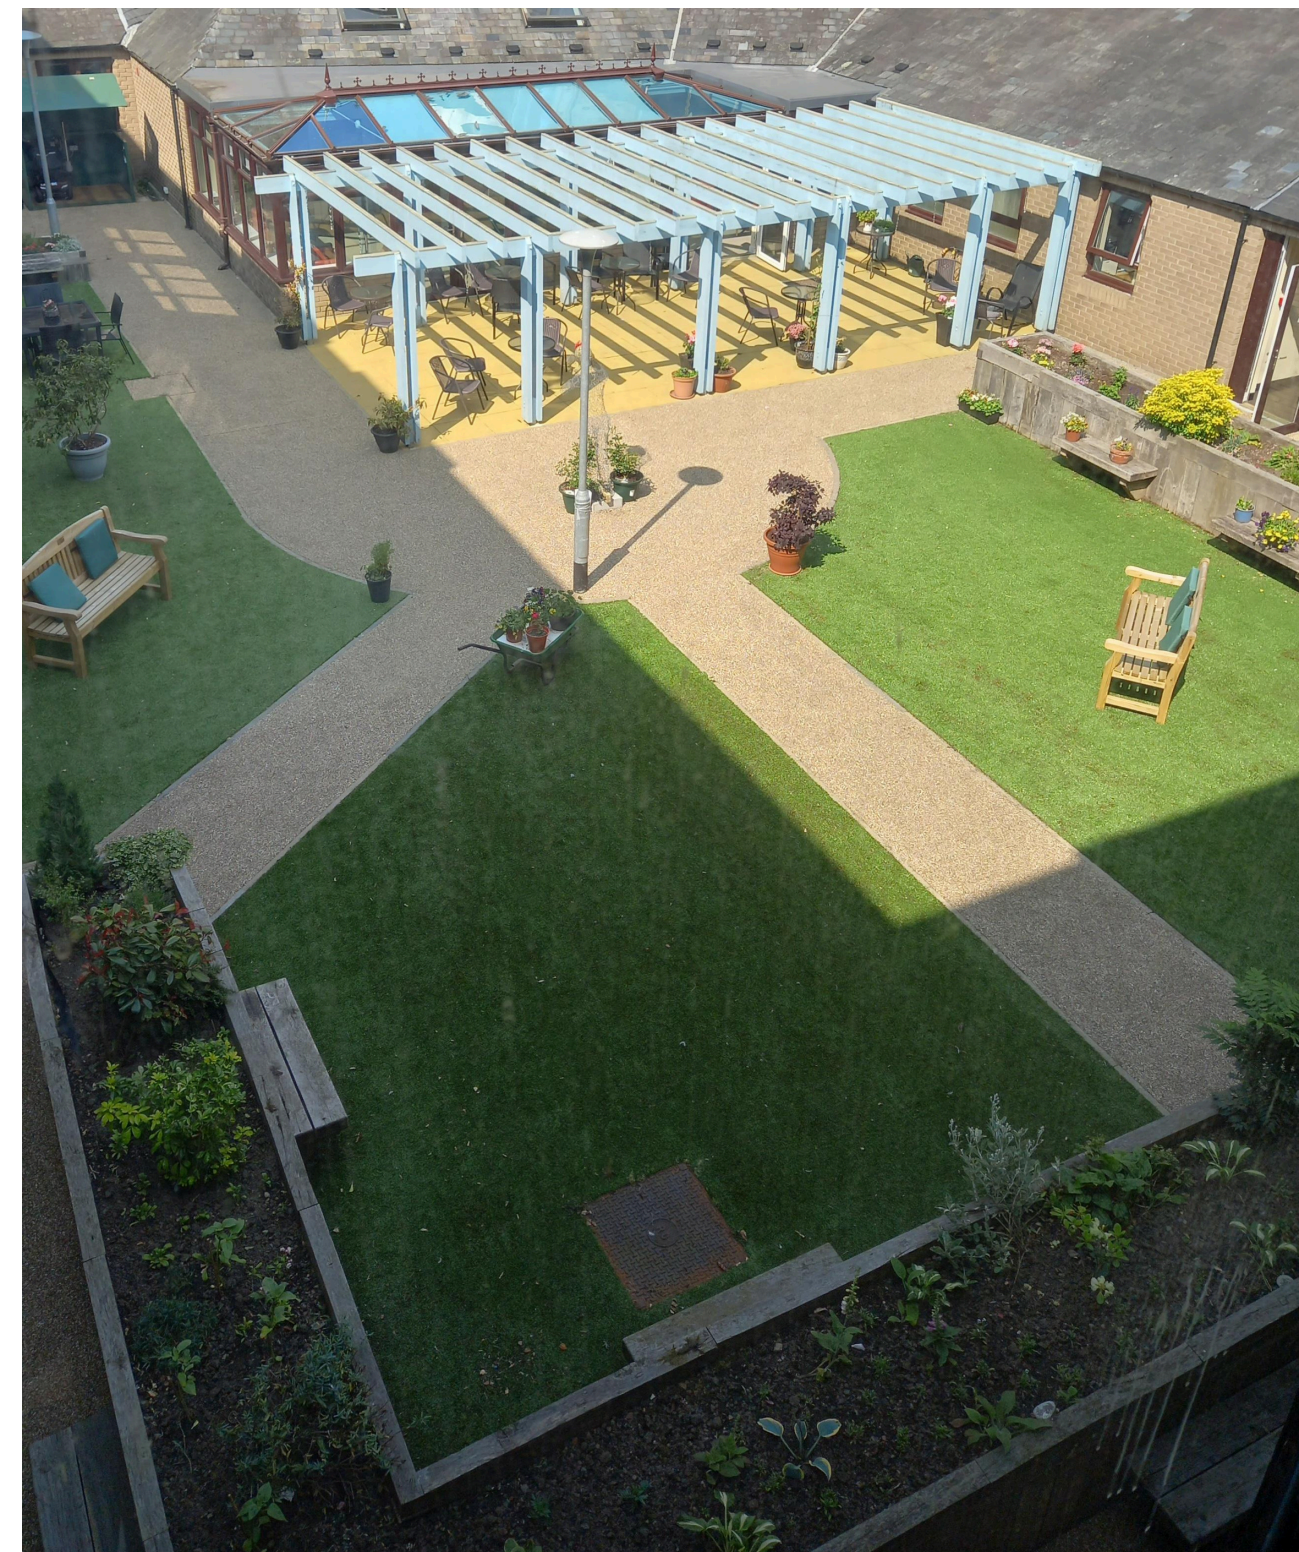

- Davina
