

# PLAY AREA WORKS SKETCH DESIGN

New play area surfacing will have 'Three Rivers' theme inspired by the local landscape. New play equipment will replace the existing items and will include a new Tractor climbing unit surrounded by:

New 3 metre high climbing net

New 1.8 metre high slide

New trampoline

New inclusive roundabout

New swings set with  
2 flat seats  
2 cradle seats

New springies and  
mini seesaw

New basket swing

**Key:**

**Extent of Works:**

-  Site Boundary

**Discussion points:**

-  Amenity grass / mown path
-  Proposed uncut/Grow Wild area
-  Existing gravel garden area
-  Mulchbond safety surfacing
-  Existing tarmac paths
-  Amended/added tarmac paths
-  Possible tree removal
-  Existing tree
-  New tree

Final design and content subject to further site investigations, detailed design process and review, and project funding.
